

KARUPPUSAMY P

SOFTWARE ENGINEER

8825619091

N.N. Patti, Vellakovil, Tiruppur

karuppusamy58010@gmail.com

PROFESSIONAL SUMMARY

Software Engineer with 3+ years of experience in designing and developing scalable web applications using React.js, Node.js, Express.js, PHP, MySQL, and MongoDB. Experienced in building end-to-end management systems across healthcare, education, hospitality, and AI-driven domains. Strong expertise in developing RESTful APIs, implementing Role-Based Access Control (RBAC), authentication systems, database architecture, and performance optimization. Skilled in React.js ecosystem including Redux Saga, Material UI, and Ant Design for building responsive and user-friendly interfaces. Hands-on experience in timezone-aware reporting, Cron Job automation, AI integrations, and real-time interactive applications. Passionate about delivering maintainable, scalable, and high-quality software solutions through clean code and modern development practices.

SKILLS

Frontend

- React.js
- Redux Saga
- Material UI
- Ant Design
- JavaScript (ES6+)
- Bootstrap
- jQuery

Backend

- PHP (OOP, MVC)
- Node.js
- Express.js

Database

- MySQL
- MongoDB

Authentication

- JWT
- Session Authentication
- Role-Based Access Control (RBAC)

Tools

- Git
- SVN
- Postman
- RESTful APIs

WORK EXPERIENCE

Software Engineer

Cap Digisoft Solutions, Coimbatore | 2022 – Present

- Developing scalable web applications using React.js, Node.js, Express.js, PHP, MySQL, and MongoDB across healthcare, education, hospitality, and AI-driven domains.
- Built responsive and reusable user interfaces using React.js, Redux Saga, Material UI (MUI), Ant Design (AntD), JavaScript, HTML5, CSS3, and Bootstrap.
- Developed and integrated RESTful APIs for frontend-backend communication and third-party integrations.
- Designed and implemented JWT authentication, session-based authentication, and Role-Based Access Control (RBAC) systems.
- Architected backend modules and APIs using Object-Oriented PHP (OOP) and MVC architecture.
- Upgraded Node.js applications and dependencies while ensuring backward compatibility and system stability.
- Designed database schemas and optimized SQL queries to support complex business workflows and reporting requirements.
- Implemented timezone-aware reporting and scheduling features for US-based clients using SQL queries, backend logic, and Cron Jobs.
- Contributed to AI-powered applications including ChatGPT-style interfaces, response animations, webcam image processing, and AI service integrations.
- Collaborated with AI and design teams to build interactive user experiences and frontend enhancements.
- Participated in feature development, debugging, deployment support, and production issue resolution.

PROJECTS

Hospitality Pulse – Hotel Management System | 2024 – Present

Tech Stack: [React.js](#), [PHP](#), [MySQL](#), [Axios](#), [Bootstrap](#)

- Built a hotel operations platform for managing hotels, staff, roles, amenities, master data, and checklist workflows
- Integrated QR-based checklist tracking, automated daily task generation through Cron Jobs, reporting dashboards, and REST APIs for web and mobile applications

Emstyle – Healthcare Management System | 2023 – 2024

Tech Stack: [React.js](#), [PHP](#) (OOP, MVC), [MySQL](#), [PayPal](#), [Leaflet](#)

- Engineered provider management, patient appointment scheduling, and city-based provider discovery using Leaflet maps
- Established appointment assignment workflows with email notifications, push notifications, and PayPal payment processing

Plano Tamil School – School Management System | 2022 – 2023

Tech Stack: [PHP](#) (OOP, MVC), [MySQL](#), [jQuery](#), [AJAX](#), [Bootstrap](#)

- Created a Parent-Teacher portal supporting student management, attendance tracking, fee management, and academic reporting
- Integrated PayPal payments for annual student registration and enhanced user interactions using jQuery and AJAX

EDUCATION

2019 - 2021

Master of Computer Application (MCA)

Nandha Engineering College, Erode

2016 - 2019

Bachelor of Science in Computer Science (BSc CS)

K.M. College, Muthur
